NEW JANAZAH BUILDING / HALL OF REMEMBRANCE

To meet the demand for toilets and wudhu facilities at the Cemetery and to replace the existing temporary tent at the back of the car park which has been used for janazah and other ibadat, Gardens of Peace Muslim Cemetery Trust has obtained planning permission from the local council for the construction of a permanent building.

The building will contain the much needed toilets and wudhu facilities, as well as provide the required sheltered space for prayers and quiet contemplation, which is especially important during winter and poor weather.

Please give LILLAH donations to help the Cemetery meet the £200,000 estimated building costs.

Please see overleaf for details on how you can give your donations.

Architect's impression of the proposed new building, with the existing car park on the left
